ENTIRE AGREEMENT: This agreement has been freely negotiated and contains the entire understanding between the PHOTOGRAPHER (Adelaide Birth Photographer) and the CLIENT. It supersedes all prior and simultaneous agreements between the parties. The only way to add or change this agreement is to do so in writing, signed by all the parties. If the parties want to waive one provision of this agreement, which does not mean that any other provision is also waived. Likewise, if any provision of this agreement is held to be invalid or unenforceable under the law, the validity of this agreement as a whole shall not be affected, and the other provisions of the agreement shall remain in full force and effect.

RESERVATION: This signed agreement and 50% payment of the CLIENT's chosen sessions is required to reserve session time and/or the weeks surrounding the CLIENT's due date.

CANCELLATION: No refund is given for birth photography sessions cancelled within 14 days of the CLIENTS due date unless CLIENT has suffered a pregnancy loss. No refund is given for all other photography sessions cancelled within 14 days of the scheduled session. Any services cancelled prior to 30 days receive a refund of 50% of the deposit paid.

PRE-BIRTH CONSULTATION: For Birth Photography CLIENTS, both parties agree to a pre-birth consultation during the second (2nd) or third (3rd) trimester in order to discuss the birth plan and CLIENT'S request list for specific photographs and preferences. If a backup photographer is requested by the CLIENT, all parties shall meet for a pre-birth consultation during the third (3rd) trimester to discuss the CLIENTS birth plan.

COVERAGE: For Birth Photography CLIENTS, coverage begins at active labour and continues until up to two (2) hours after the birth. The PHOTOGRAPHER is on call 24 hours a day for two weeks either side of the CLIENT'S due date. The CLIENT is responsible for contacting the PHOTOGRAPHER during early stages of labour, immediately before leaving for the hospital (if attending), and again when the doctor or midwife confirms active labour. Every reasonable effort will be made to take requested pictures, but no specific pose or photograph can be promised. Any lists supplied will

be used for organizational purposes only. The PHOTOGRAPHER agrees to not document any elements of the birth specified by the CLIENT. The CLIENT may request amendments to their photographic coverage preferences directly with the PHOTOGRAPHER at any stage prior to the conclusion of the birth session. Images determined by the PHOTOGRAPHER to be substandard or duplicated may be edited out. The PHOTOGRAPHER will use professional judgment and sole discretion to select which photos to deliver. Such selection shall constitute all images that will be made available to CLIENT. The PHOTOGRAPHER is not responsible for the quality of images due to low lighting, interference by others attending the birth or other issues beyond the appropriate control of the photographer. The CLIENT and her baby's safety and comfort is the priority in all cases. The CLIENT accepts that the PHOTOGRAPHER decides when to cease photographic activity during emergency and other sensitive situations. The CLIENT agrees to accept the PHOTOGRAPHER will not be liable for making the decision to cease photographing or if medical staff specifically requests that photographic activity cease.

HOSPITAL GUIDELINES: The PHOTOGRAPHER is limited by the guidelines of the hospital policies and any demands placed by hospital staff. The CLIENT agrees to accept the technical results of these guidelines and policies imposed on the PHOTOGRAPHER. Negotiation with the staff for moderation of guidelines is the CLIENT'S responsibility.

LIMIT OF LIABILITY: The PHOTOGRAPHER is not liable for any images found online or in print outside of their intended and agreed location. In the unlikely event that the PHOTOGRAPHER is injured or becomes too ill to photograph the birth, they will make every effort to provide the services of a backup photographer. If the situation should occur and a suitable backup is not found, responsibility and liability is limited to the return of all payments received for the photography service not provided. Adelaide Birth Photographer takes the utmost care with respect to exposure, transportation, and processing the photographs. However, in the unlikely event that photographs have been lost, stolen, or destroyed for reasons within or beyond the PHOTOGRAPHER's control, liability is limited to the return of all payments received for the birth photography package. The limit of liability for a partial loss of originals shall be a prorated amount of the exposures lost based on the percentage of total number of originals.

COPYRIGHT: I/we agree the PHOTOGRAPHER owns the Copyright in all photographs. From time to time, Adelaide Birth Photographer may wish to use images sessions for industry competitions and as required subsequent usage and for reasonable general promotional advertising for Adelaide Birth Photographer. This advertising may include images being displayed via internet, magazine and other printed media.
